**HAWTHORNE** — The California Department of Transportation (Caltrans) reminds the public of scheduled overnight closures of the northbound I-405 (San Diego Freeway) connector to eastbound and westbound I-105 (Century Freeway) for installation of overhead freeway signs.

Work on Wednesday, Dec. 6 has been cancelled, but remains scheduled to start at 10 p.m. each night Thursday, Dec. 7, and Friday, Dec. 8.

*These closures are scheduled for two separate nights and will end by 4 a.m. each morning.*

Detour signs will be in place.

**Eastbound Detour:** Continue northbound on I-405, exit Imperial Highway, drive east to rejoin eastbound I-105 at the Freeman Ave. on-ramp.

**Westbound Detour:** Continue northbound on I-405, exit onto Imperial Highway westbound.

Upon completion of this overnight work, the ramp from the northbound I-405 to the westbound I-105 will remain open. The ramp from the northbound I-405 to the eastbound I-105 will remain closed as long-term reconstruction of that ramp continues.
